

The Township has been notified that the Consumer Energy Mid-Michigan Pipeline project is slightly behind schedule. Therefore, Consumers will begin working 24 hour a day, starting Friday, June 16 for the next seven to ten days. The Consumers Representative said they are aware of the Township's noise ordinance and they will not be working from 7:00 a.m. Sunday to 7:00 a.m. Monday.

If you have any questions, please contact Kathleen Kennedy, Township Supervisor, at supervisor@sylvantownshipmi.gov.
